## INDICATES LARGE VOTE IN ELECTION

Ballots Cast at Two O'clock Reveal  
Great Interest Shown by  
Rushville People

### OVER ONE-HALF OF VOTE IN

Voters Slow Going to Polls During  
Morning But Begin to Speed  
up This Afternoon

A little over 50 percent of the vote was cast this afternoon at two o'clock in the six election precincts in Rushville, and at that hour voters were streaming into the polls with indications pointing to a big vote before the polls close at six o'clock.

Voting was slow in most of the precincts this morning, and at noon scarcely one-half had been voted in any precinct, but from the noon hour on, voting picked up. The poll of the six precincts showed that there were approximately 3,457 people to vote in the city, and at two o'clock 1,838 had voted, leaving the 1,629 people to vote in the four hours remaining.

In precinct number 1, voting at the Catholic school, there were 580 voters polled and 297 had voted shortly before two o'clock. In the second precinct, at the Graham school, there were 475 voters eligible and 314 persons had voted, leaving only about 150 votes out.

In the third precinct, voting at J. Q. Thomas' office, there were a possible 460 votes with 216 voted at 2 o'clock. In the fourth precinct, voting at the Poundstone building, 360 voters were polled and 242 had voted at two o'clock, indicating a strong vote at this place.

The largest precinct, located in precinct five voting at Ford's residence, had one-half voted at two o'clock. There were 810 voters polled and 400 had voted at that hour.

The sixth precinct, voting at Irvin's garage, also was registering a heavy vote, with 404 voted out of a possible 772 on the poll books.

Both political parties were displaying confidence in winning the election, and the Republicans, which had a good majority four years ago, were banking on the vote of the women to put them over with an entire ticket.

The democrats were equally as confident and were also relying on the vote of the women as turning the trick for them. Indications in almost every precinct were that there was considerable scratching of the ballots.

## MORE THAN \$100,000 PAID LAST TWO DAYS

Total Tax Collections During Fall  
Period Ending Monday Night  
Amount to \$486,355.25

### INCLUDES SEQUESTERED TAX

The county treasurer continued to hang up new records today when it was announced that collections during the fall period for the payment of taxes amounted to \$486,355.25, which includes \$10,257.58 in delinquent taxes and about \$20,000 in sequestered taxes, and accounts for the fact that the total went above the sum the treasurer estimated falling due.

The lightning finish on the last two days of the fall period ending Monday night accounted for the large collections. Up until Saturday it appeared that tax receipts would fall far short of \$476,000, the falling due on the fall installment. Saturday's and Monday's collections amounted to \$102,662.22, of which \$50,546.83 was paid on the closing day. This included \$4,775.91 which was mailed Monday and received this morning.

In spite of this splendid showing, it is estimated that approximately \$10,000 in taxes went delinquent. The delinquent taxes collected since the spring installment equalled two-thirds of this sum, and the sequestered taxes, which are beginning to come in as a result of the contract made with tax collectors in Indianapolis, more than offset the amount going delinquent.

## NURSE TO GET A NEW COUPE

Enough Money is Raised. Woman's  
Council Reports Today

Enough money has been raised to buy a new Ford coupe for the Rushville nurse, it was reported at the meeting of the Woman's Council, which supports the nurse, Monday evening. The coupe which has been used by the nurse almost two years, will be taken in by the dealers on the new car. The Council appealed to the Kiwanis and Rotary clubs for help in raising the money and committees from the two clubs were successful. A resolution of thanks was adopted last night as follows:

The Woman's Council by a unanimous vote extend their appreciation and thanks to the members of the Rotary and Kiwanis club and other citizens for their generous help in providing a new car to be used in this city by the visiting nurse.

## FUTURE OF TWO PARTIES AT STAKE

Democratic and Republican Leaders  
Look Toward Results as Gauge  
of Next Year's Strength

### FORMER WORK FEVERISHLY

Foremost Democratic Leaders in  
State Take Hand to Regain  
Footing Lost in 1920

(By United Press)  
Indianapolis, Ind., Nov. 8.—The future of the two major political parties in Indiana was at stake today as city administrations were selected at the polls throughout Indiana.

Democratic and republican leaders looked toward the results in every city as a gauge of their strength at the senatorial elections next year.

As the cities go so goes the state, it was said.

Democrats have worked feverishly in an effort to regain the footing they lost in the republican avalanche at the last general election. Tom Taggart, one of the foremost democratic leaders in the nation, took off his coat at state and city headquarters in Indianapolis and sought to marshal his disintegrated forces.

Republican leaders fought equally hard to retain the margin they gained when President Harding was swept into the white house.

The success of either side will be told when the ballots are counted and the voting machines give out their tallies at the close of the polls tonight.

The weather, all agree, will be an important factor in the results. The weather man here said that the sky was cloudless in all parts of the state except in the extreme north and northwest portions. Rain was reported falling in the Calumet region and the sky was overcast in Ft. Wayne threatening rain there.

A clear cold day in Indianapolis brought out a heavy early vote. Supporters of Boyd M. Ralston democratic mayoralty candidate said he would be favored by fair weather.

Continued on Page Three

## ANOTHER PUMPER COMING

Fire Engine Companies Won't Let  
Council Alone on Apparatus

The Howe fire engine factory of Anderson, who had submitted bids on fire apparatus here, being engaged in the assembling of smaller trucks, will send one of their Reo truck pumpers here Wednesday afternoon, if the weather permits, according to word received this morning by members of the council. The company was not asked to send one of them here, but the councilmen will look it over, and it is not believed that it will be necessary for it to work out, as the councilmen have seen the smaller trucks work.

The bids on the former contracts have not been rejected officially, and the councilmen may again give the former bids some consideration.

## SEPTEMBER TERM ENDS SATURDAY

Present Term of Court Will Close  
With Week's Vacation Next Week  
Between Terms

### SIX SUITS ARE FILED

Civil Actions of Smaller Nature Are  
Filed. Three Being Suits on  
Delinquent Notes

Six civil suits have been filed in the circuit court, and the present term will draw to a close on Saturday, with next week being vacation before the November term opens on the following Monday.

John Routon has filed suit against Fred McCrory on a note demanding \$54 judgment, the plaintiff alleging that the defendant negotiated a loan for \$24.75 in 1912, and that the promissory note is past due and unpaid. Tittsworth and Tittsworth represent the plaintiff in the suit.

Burge E. Kelly is plaintiff in a suit against Donald H. Dean, the title being a complaint for specific performance. The plaintiff alleges that he traded shares of stock in a concern with the defendant and when the trade was made the defendant could not find his certificate, and has failed to deliver it to the plaintiff.

The complaint asks that the court provide for the turning over of the stock certificate, valued at \$100 and also judgment for \$200 for damages. This suit and four others were filed by C. W. Duncan, attorney.

Elsie Moore has filed suit in the circuit court against Frank Moore, the petition being for support. She alleges that they were married on September 22, 1920 and that he abandoned her a year later, failing to support her. She asks that the court award her \$10 a week support money.

Jessie Havens filed a petition with the court to sell real estate, naming Emma Havens, his wife as defendant. The petition was filed on account of the defendant being a person of unsound mind, and it was necessary to bring the suit in order to affect a sale.

Ell R. Wooten has filed suit against Noah F. Murphy, the complaint being on a note in which \$60 judgment is demanded. According to the complaint a promissory note dated in 1911 for the amount of \$19.80 is unpaid and past due.

William Mendenhall has filed suit on a note against Paul C. McDaniel, the complaint alleging that a note for \$31.79 dated in June 1920, is past due, and that \$60 judgment is demanded.

## SCHOOL NOT TO BE DISMISSED FRIDAY

County Board of Education Directs  
That Armistice Day be Appropriately Observed, However

### VACATION DATES ARRANGED

Although Rush county schools will not be dismissed Friday, November 11, Armistice Day, the teachers of the county are instructed in a resolution adopted by the county board of education, at the regular monthly meeting Monday, to observe the day appropriately in some manner. The resolution, which was passed by unanimous consent, said that "some appropriate observance of the day shall be made in each school."

The same general idea will obtain in the observance of the day in the Rushville public schools. Children will not be dismissed, but attention of all children will be directed to the day in some suitable way.

The county board, which is composed of the township trustees, also decided that the county schools should be dismissed November 24 and 25 for Thanksgiving vacation and fixed the Christmas holidays vacation from Friday, December 23, to Monday, January 2.

The board adopted a set of rules and regulations to govern the janitors of school buildings throughout the county.

## FINAL ARGUMENT ON DRAIN HEARD

Commissioners Will View Hodge's  
Branch November 19 and An-  
nounce Their Decision

### GRAND JURY REPORT READ

Condemns County Poor Infirmary  
and Earnestly Recommends  
Erection of New Building

The county commissioners, at the regular monthly session, heard the arguments Monday afternoon on the remonstrances against the assessments proposed for the repair of the Moore drain, better known as Hodge's branch, which runs through the northwestern section of the city. The evidence was heard several weeks ago and the argument has been postponed from time to time.

The commissioners announced that they would view the drain on Saturday, November 19, and would then announce their decision.

In addition to allowing the regular claims, the commissioners also named seven constables of the New Salem Protective association, on recommendation of the officers of the association, and heard the report of the grand jury on the inspection of the county buildings, in which the investigators, as is their custom, condemned the county infirmary and recommended the erection of a new building.

The report of the grand jury follows:

"We find the Rush county jail in good condition and kept in a good condition. We recommend that the basement of said jail be cemented to keep water out of the said basement during flood time in order to protect furnace and furnace pipes.

"That the poor farm is being taken care of very well considering that the building is in a very poor condition and the heating and water system is very poor. The beds of the five old lady inmates have no springs or good mattresses and we most earnestly recommend that each old lady's bed be furnished with a set of good springs and a good mattress.

"We wish to state that there is no equipment with reference to the water system, that enables the same to be kept in a sanitary condition during the winter, and the heating facilities are very inadequate.

"We further say that in our opinion repairing of said poor farm residence is not to be considered as a matter of economy as well as health and we earnestly recommend a new building for the housing of our county poor which will not be a disgrace to our fair county of Rush."

## GRAND JURY GIVES UP ROSS DEATH INQUIRY

Investigators Adjourn Today After  
Visit to Home Where Young  
Farmer Was Found Dead

### FIND NO MURDER EVIDENCE

The grand jury today shortly before eleven o'clock decided to give up the investigation into the mysterious death of Edgar A. Ross, Manilla farmer, as the investigators are said to have not been able to obtain any evidence upon which they could place the guilt of murder.

Witnesses examined Monday and this morning were for the most part neighbors, and little evidence could be obtained from them that would tend to throw any light on the subject. Early this morning the grand jury went to the scene of the tragedy, and looked over the situation where the dead man was found with a shot through his heart last Wednesday afternoon.

The gun which fired the fatal shot, was continually before the grand jury during their probe. County officials are of the belief that if the crime was murder, suspicion will some time crop out, and the matter may be taken up if new evidence is heard of by the court.

## WEATHER DUE FOR DROP

Below Freezing by Late Wednesday  
is Prediction

Ear muffs and neck pieces will be in use Wednesday afternoon or night, if the predictions of the weather man hold true, as an advance report sent out as a warning to shippers, predicts temperatures of below freezing for this part of the country by tomorrow afternoon or night. Charles F. Marvin, chief of the department, sent out the warning this morning, stating that the weather would be unsettled tonight and Wednesday, probably rain or snow with much colder by late tomorrow night.

The lowest degree of temperature recorded this winter was 27 degrees, according to the government thermometer in charge of Elwood Kirkwood at Mauzy.

## VISIT TO PORTO RICO DESCRIBED

E. B. Thomas Pays Tribute to Integrity of People in Address Before Rotary Club Today

### THERE WITH U. S. MISSION

Comments on Inspiration He Received From Attending Meeting of Rotarians at San Juan

E. B. Thomas, a member of a United States mission which visited Porto Rico last summer to investigate regarding the advisability of establishing a federal land bank on the island, described his visit in a brief address before the Rotary club today. He paid a high tribute to the integrity of the people, as he observed them and as he was informed by Americans who had lived on the islands for several years.

In a very entertaining way, Mr. Thomas described the habits and customs of the people, and the condition of the country. He also told of the inspiration he received in attending a meeting of the Rotary club of San Juan. Mr. Thomas said the club was composed of seventy-five men, coming from different countries and climates far remote, with different ideals and ideas, yet all inspired with a common ideal to help their adopted land.

"When I think of the spirit shown by these men, situated as they were with interests and training that clashed," he continued, "yet banded together with the high aspiration of bettering the country in which they live, I wonder what it is not possible for us to do—we who were born and reared together, have known each other all our lives and are actuated by the same motives."

Mr. Thomas said one of the most pleasant memories he had of the trip to Porto Rico was the meeting with the Rotary club, which seemed so anxious to accomplish something for the good of all the people of the island, but which did not know which way to direct its efforts.

Mr. Thomas said there were many cross currents in the life of Porto Ricans, both political and social. He said the people were constantly thinking of the political phase, illustrating how they proposed to establish a government bank in which they would put all of the money of the island and of which the officers

### SHIVERS! !

Chicago, Ill., Nov. 7.—The first blizzard of the year swept out of the northwest over the central states today.

Snow started falling in Minnesota and Missouri and worked south to Wisconsin and portions of northern Illinois today. Six inches of snow was reported in some Wisconsin cities.

The weather bureau predicted snow as far south as Kansas and Missouri and it will spread over portions of Iowa, Michigan and Indiana. The snowfall will be light, the weather man said.

## EQUIPMENT OF MODERN WAR USED

Six Train Robbers Armed With Dynamite, Odor Bombs, Sawed off  
Shotguns and Fuses

### MAKE GOOD THEIR ESCAPE

Loot Illinois Central Train Near Paxton, Ill., of Registered Mail, Leaving Six Wounded Behind

(By United Press)  
Twin Falls, Idaho, Nov. 8.—Entering the dining car of Union Pacific train No. 17, east bound, Portland to Chicago, a few miles out of American Falls, late last night, a lone bandit held up the diners and robbed them of cash and jewelry according to reports here early this morning.

Disappointed with his haul, the bandit is said to have expressed his disgust with "the bums who travelled first class these days" before he dropped off the train.

Champaign, Ill., Nov. 8.—Six train robbers equipped with all the modern methods of warfare, apparently had made good their escape today with many thousands of dollars in registered mail taken from the Chicago-New Orleans train on the Illinois Central.

The robbers used dynamite, odor bombs, sawed off shot guns, fuses and search lights in a thrilling forty-five minute gun battle with members of the crew and passengers after the train had been stopped on a trestle near Paxton, Ill., 20 miles north of here.

They escaped with from two to four sacks of registered mail, leaving six injured, including one passenger.

After obtaining their loot, they fired the mail car, using sacks of second class matter as the torch, and a check up of the loot was made difficult.

Estimates of the loot varied today. Adolph Germer, chief postal inspector of Chicago, said it was "several thousand dollars while other sources placed it as high as a million dollars.

The robbers had a complete arsenal and the thoroughness of their systematic work astounded the investigators. They came prepared for any emergency. They shot on the slightest provocation—and shot to kill.

They had a thorough knowledge of the district in which the robbery was carried out. Engineer Jack Fogarty, with a revolver sticking in his ribs and his fireman covered, was

## HENDRICKS IN JAIL ON PEACE PROCEEDING

Man Arrested Yesterday in Circuit  
Court Faces Another Charge For  
Surety of Peace

### FILED BY WILL RICHARDSON

Elmer Hendricks was placed in jail yesterday afternoon on a charge of surety of peace, when he failed to give the \$500 appeal bond to the circuit court. The arrest was made when William Richardson filed the charge in Justice Stech's court, alleging that Hendricks had made threats to kill him.

Hendricks was arrested late Saturday night in Shelbyville in company with Mrs. Fannie Richardson and a Mrs. Farley, according to a Shelbyville newspaper. The newspaper stated that Mrs. Richardson was accompanied by her four small children, and that she was the wife of William Richardson of this city, who formerly lived there.

Hendricks was arraigned yesterday in the circuit court on a charge of unlawfully entering quarantined premises, where a case of diptheria was in a house, and he also was arraigned on a juvenile charge, having given bond on each case.

He will remain in jail until his case of surety of peace comes up before Judge Sparks, it being outside the jurisdiction of Justice Stech's court.

# JAPAN PRINCE PUTS FORTH NEW VIEW

Wants Anglo-Japanese Alliance Replaced by Agreement Signed by U. S., Great Britain and Japan

NATIONS SHOULD SHAKE HAND

First Public Utterance of Jap Gov't in Advocacy of Tripartite Agreement for Alliance

By A. L. BRADFORD  
(U. P. Staff Correspondent)

Washington, Nov. 8.—The Anglo-Japanese Alliance should be replaced by a tripartite "understanding" or agreement signed by the United States, Great Britain and Japan.

This view was put forward by Prince Tokugawa, president of the House of Peers, of Japan, and one of the chief Japanese delegates to the conference of limitation of armament and Far Eastern questions in an important and authoritative interview with the United Press.

Prince Tokugawa, if it had not been for the "restoration" of the power of the throne in Japan about half a century ago, probably today would be the ruling slogan of his country.

Asked whether Japan will be willing to abrogate the anglo-japanese alliance, object of Great opposition in the United States Tokugawa said:

"Don't you think there could be an 'understanding' between Japan, the United States and Great Britain? We three nations ought to shake hands and confine our respective courses in a friendly way."

"Personally" I am anxious that there be arrived at such an understanding between the three nations. Such an understanding would go far toward securing the peace of the world.

"Your country may not be able to join in an alliance but form does not matter, so long as there can be a friendly understanding among the three powers."

"So far as is known, this is the first public utterance of any leader of the Japanese government in advocacy of a tripartite agreement to replace the anglo-japanese alliance."

Japan realizes something must be done in the way of such a conference to remove the menace of the alliance to the United States.

Tokugawa was careful to emphasize that his statements were only expressions of his personal opinions. But Tokugawa's word will carry great weight in Japan's part in the conference and through out his country.

He gave the distinct impression Japan might propose the tripartite agreement.

Asked about the supposed need of Japan to extend Prince Tokugawa declared:

"Our population is increasing. As our population increases it will be necessary for us to find somewhere in the world to expand—I don't wish to mention any particular country. I

## Hupmobile

If you are thinking of a figure within \$400 of the Hupmobile price, you will not be using your money to full advantage unless you find out, before you buy, how good the Hupmobile is.

"We are on the square"

Sharp Break in Hogs  
Chicago, Ill., Nov. 7.—Hog prices broke sharply today on the live stock markets of the country. Prices for medium grades were selling for \$7.35 per one hundred pounds, the lowest since January, 1916. This was a decline of from 25 to 40 cents. Large receipts the cause of the price to slump and were attributed to the desire of farmers to liquidate.

## ARRIVES IN HOME WATERS

Body of Unknown Hero on Olympia Which Reaches Virginia Capes

(By United Press)

Washington, Nov. 8.—The body of America's unknown soldier which on Armistice day will be accorded the highest honors that a grateful nation and the world can give, was in home waters today.

The proud Olympia, Admiral Dewey's flag ship, with the last that is mortal of the unknown on board, steamed into the Virginia capes shortly after 10 o'clock today, according to a wireless to the navy department.

The destroyer Bernardon went down the river last night, as a sort of harbinger from the home folks to express the spirit of America that the unknown had not died in vain.

The funeral ship will be accorded high honors when it reaches here at 4 o'clock tomorrow.

## Bright Spots in News

Chicago—Jazz music played to wounded soldiers, tended to create insanity, while they quickly recovered if good music was played, Mrs. Marx Obendorfer told Northeastern University co-eds.

Chicago—University of Chicago "eds" beat the co-eds to wearing knickerbockers. The "bell bottom" trousers have been discarded by many male students along the midway. They are wearing knickerbockers.

Terre Haute, Ind.—Former Commissioner of the State did kitchen duty here Thursday evening while enlisted men were their guests at a banquet at the American Legion hall.

St. Paul—Three to four train loads of 50 cars of apples each are passing through the Minnesota transfer from the apple orchard of the northwest. Great Northern officials whose lines serve the Wenatchee valley said the movement would amount to 16,000 carloads this year.

\*\*\*\*\*  
**ONIONS STAGE COMEBACK**  
Nappanee, Ind., Nov. 8.—The onion is again coming into its own. The price at retail stores in the northern Indiana region is ten cents a pound, or \$6 a bushel, which is practically the high point reached during the World War.  
Last year, however, the price dropped to \$1 and \$1.50 a bushel, and many growers became discouraged. It is estimated that 25 car loads of the odoriferous fruit was produced in this section this year.  
\*\*\*\*\*

do not mean by this territorial expansion but only economic expansion."

He was then asked if he thought there was danger of war between the United States and Japan.

"Is not this talk of war between United States and Japan absurd imagination. It is quite true that if misunderstandings go on even between intimate friends and nations persons might become enemies. I don't mean Japan and the United States particularly but any nations. I, myself, do not have any fear of war between Japan and the United States."

"I adore peace, I do not like war. I may say, however, that I am not one who would support peace at any price."

## Fine for Lumbago

Musterole drives pain away and brings in its place delicious, soothing comfort. Just rub it in gently.

It is a clean, white ointment, made with oil of mustard. It will not blister like the old-fashioned mustard plaster.

Get Musterole today at your drug store. 35 and 65c in jars and tubes; hospital size, \$3.00.

## VISIT TO PORTO RICO DESCRIBED

Continued from Page One

of the island would be directors.

"To describe the despoilation of the island by the Spaniards is to excite you to pity for the natives," said the speaker in picturing how Porto Ricans had long been suffering from the extortions of the invaders.

The island is 36 miles wide and 100 miles long, he said, and contains beautiful coffee, sugar cane and tobacco plantations. There are 1100 miles of macadam road to be found there. The speaker told of the beauty and grandeur of the mountains, recalling that Theodore Roosevelt had called Porto Rico the Switzerland of America.

The native sugar cane growers are constantly indebted to the cane buyers under a law which operates as a continuous loan, he stated. The tobacco and coffee growers, Mr. Thomas described as much more prosperous, although all said they would like to have the United States establish a federal land bank there.

## DEGREE TEAM TO MEET

The Modern Woodmen degree team will meet tonight at 7:30 o'clock in the Modern Woodman Hall for practice. A full attendance is urged.

# SEES SUCCESS OF THE ARMS PARLEY

General John J. Pershing Says Conference Will be One of Most Important Ever Held

"PROSPECTS ARE EXCELLENT"

Says He Received Favorable Impression Abroad and in West Regarding Outcome of Meeting

By A. L. BRADFORD  
(U. P. Staff Correspondent)  
(Copyright 1921 by U. P.)

Washington, Nov. 8.—General John J. Pershing "sees complete success" in the impending Washington conference on limitation of armament.

The chief of staff and General of the Armies of the U. S. so expressed himself today in an exclusive interview with the United Press on the eve of the assembling of the conference.

In his first interview on arms limitation, Pershing says the conference will be one of the most important ever held.

He believes the "prospects are excellent" for cutting down the chances of war.

He keenly realizes the burdens and sufferings of the peoples of the world in modern armaments and war.

Leader of the American expeditionary forces in France during the most terrible war of history, and this country's greatest authority on modern warfare, General Pershing in giving his opinions on the conference is making an important contribution to a proper understanding of this epochal event.

General Pershing's opinions are valuable for another reason. He is just back in his office in the war department after a trip to France, and England where he decorated the graves of the unknown French and British soldiers with the Congressional medal of honor, and has just returned from Kansas City, where he attended the American Legion convention. So he has had an opportunity to judge the temper of the people of Europe and America toward the conference.

After the interview had asked him for his opinions on the conference and about the sentiment he found toward it on his trip Pershing prepared an answer in a written statement, typically condensed, brusque and to the point, as he was wont to do on the western front. His statement, initialed "J. J. P." follows:

"The coming conference on limitation of armament will be one of the most important ever held. I believe that the prospects are excellent for better understanding among the leading nations that will materially reduce the chances of war. The tremendous cost of perpetual preparation for war is a serious burden from which people are anxious to be relieved as far as possible to say nothing of relief from the suffering that modern war brings.

"The impression that I received abroad and on my trip west regarding the outcome of the conference is most favorable and personally I can see no reason why it should not be a complete success."

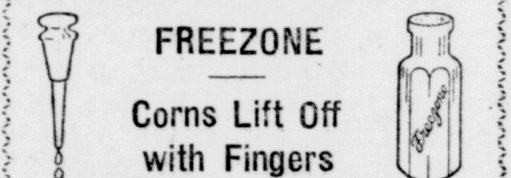

Pershing is a leading member of President Harding's advisory committee on the conference on limitation of armament.

As a member of this committee and as chief of staff of the United States army, his opinions will be sought and will have great weight in the shaping by this government of its course in the conference.

**FREEZONE**

Corns Lift Off with Fingers

Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. It doesn't hurt a bit. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without a particle of pain.

# He Lost 65 Pounds—She Got Thinner; Both Look Much Better!

It is decidedly beneficial to reduce weight when one is overweight. The decrease is usually followed by great benefit to vital organs, health and often produces a remarkable improvement in appearance, especially when Korein Tablets are taken according to the simple directions.

Geo. C. Reynolds, President of the Royal Fellowship, said he reduced 64 pounds this way in four months! Mrs. M. Liemver stated she reduced 60 pounds and that she looks and feels much younger. Alice B. Canode also used Korein and lost what she wished—20 pounds—in less than three weeks.

And the story goes from one to another about Korein and the easy directions—a seemingly endless chain of reported reductions in weight with wonderful improvement in health, figure and alertness of body and mind. It's the absolutely safe, easy, scientific method of self treatment. The pictures give idea.

Korein book mailed free, in plain wrapper with many testimonials. Write to Korein Co., N. L. 26, Station X, New York, N. Y. Or, you can obtain Korein Tablets in this city at good druggists, including

Second Annual

# PUBLIC SALE

# of BIG TYPE POLAND CHINAS

to be held at Smalley's Sale Stable in Rushville, Ind.

**THURSDAY, NOVEMBER 10th, 1921**

TO MY FARMER FRIENDS AND FELLOW BREEDERS:—

I am using this plan as the best way I know of to reach one and all of you with a special invitation to be present and see if I can't do you a world of good in giving you an opportunity to purchase real brood sows for the coming spring use. This consignment consists of

**25 HEAD OF FALL YEARLING GILTS, 25 HEAD OF SPRING GILTS AND 2 YEARLING BOARS**

am selling these boars as an attraction to this sale and believe whoever may secure them will sure have real boars. I have endeavored to have these sows in the very best shape to breed that it is possible to get them in, not fat, but just nicely flushed which puts them in the best condition for large litters. We pride ourselves on having a very prolific herd, our sows averaging close to 10 pigs to the litter.

We also feel a little good over the honor given us at the last State Fair of having the Largest Herd Boar in Indiana. Of course you know that was Frazier's Giant 128545. Old breeders at the State Fair said he could easily be made to weigh 1500 pounds. The gilts selling in this sale are mostly sired by him and out of dams as good and as well bred as any could have.

Believing in the hog business as a good thing, any time, and knowing it to be by far the very best money making proposition the farmers have at the present time, I think I am doing you one of the greatest favors in giving you a chance to purchase this kind of stock, but we are happy in being able to furnish this means to our old Rush county friends to get \$1.00 per bushel for those thousands of bushels of good yellow corn instead of having to haul it to the elevator at 30 cents. Boys, let's not haul any corn, let's have a dollar a bushel for it and all be happy and let the goose hang high. I am optimistic—we are right in the good times from now on.

**THIS SALE WILL BE CALLED PROMPTLY AT 12:30 O'CLOCK.**

We are very respectfully yours,

**JOHN C. FRAZIER & SON**

DUSTY MILLER, Auctioneer.

—Mrs. L. C. Snodgrass was among the visitors this afternoon in Indianapolis.

—Mrs. Charles Shaffer and Mrs. Will Frank were passengers to Indianapolis this morning.

—Paul Allen of Rensselaer, Ind., formerly of this city, is visiting friends and relatives here.

—Jack Neeley is spending a few days in North Vernon, Ind., for a visit with relatives and friends.

—Mrs. Ed Bowen went to Indianapolis today for a week's visit with her son, Ross Conway, and family.

—Robert Humes of Indianapolis spent the day here with his parents, Mr. and Mrs. O. E. Humes.

—Miss Alice Norris and niece, Mrs. E. H. Saniter, motored to Shelbyville today to spend a few days with friends.

—Mrs. James Keating left this morning for a few days stay at Martinsville, where she will take treatment for rheumatism.

—Lon Link left this morning for Phoenix, Ariz., for a visit with his son John Link and family. Before returning home Mr. Link will visit for a few days in Los Angeles.

—Charles Shaffer and Gunn Haydon went to Indianapolis this morning to attend the annual meeting of the Winchester Club of Indiana. They will attend the banquet at the Claypool hotel this evening.

**UNCLE DROPS DEAD**

Walter F. Easley was called to Indianapolis today by the death of his uncle, Tillman Easley, who dropped dead Monday. The body will be taken to New Market, Ind., near Crawfordsville, for burial.

RUSH TO COMPLETION  
ARMAMENT PROGRAM

American Arms Conference Delegates to Reveal Exact Extent Which U. S. Can Limit Armament

GREAT PARLEY IS WEEK OFF

(By United Press)

Washington, Nov. 8.—American arms conference delegates with the opening of the great parley 4-days off, are rushing to completion a program which will reveal the exact extent to which they believe it is practical for the U. S. to limit its armament.

This planned not only to exemplify America's sincerity upon entering the conference, but to serve as guise to other nations in framing their limitation program.

Meanwhile, foreign delegations daily are arriving and anxiously looking to America to take the lead in the parley. So far all have expressed glowing hopes for the success of the conference.

America's capital is decking itself as for a holiday in honor of the double function, Armistice day and opening of the conference.

FINAL ARGUMENT

ON DRAIN HEARD

Continued from Page One

The report was signed by the members of the grand jury as follows: Lon H. Havens, W. O. Frazee, Orlan Myers, H. S. Birt, Jacob H. Kuey and John G. Gartin.

Constables for the New Salem Protective association were appointed as follows:

John H. Heeb, Elmer J. Ralston, Edgar Stiers, Amos Clark, Henry J. Miller, Ed Alma Hartman and James E. Jinks.

She Oughta Know!

Neighbor—"And how is your poor husband, Mrs. Jones?"

Mrs. Jones—"He suffers something awful with his foot, sir, and I know what it's like because I've had it in my eye."—Old Dog Gags (New York.)

COLDS

"Pape's Cold Compound" is Quickest Relief Known

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks any cold right up.

The very first dose opens clogged nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness.

"Pape's Cold Compound" costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!

POWERS WAIT FOR  
AMERICA TO LEAD

Conferees Have Axes to Grind. But They Will Leave First Move to The United States

NO OUTSTANDING LEADER

England and Japan Have Programs to Announce as Soon as America Reveals Plans

By CARL D. GROAT  
(U. P. Staff Correspondent)

Washington, Nov. 8.—With the arms limitation conference only four days away, a war-tired world looked today towards America for guidance.

Though the English, Japanese and other conferees have their own plans, and in some cases axes to grind—they have pocketed these waiting upon America to lead the way. Until the United States has spoke at the Horse Shoe table in Continental Hall, these plans will remain pocketed.

All the principal delegates are here now with the exception of Arthur Balfour, of Great Britain.

Unlike the great Versailles conference which opened about three years ago, no outstanding leader now stands forth in the arms parley.

No foreign statesman yet reaching the United States has received the tumultuous acclaim that greeted former President Wilson when he went to Paris to make peace.

Although other nations are waiting on the United States to take the lead, it is understood here that Great Britain and Japan have programs to announce as soon as the American program is revealed.

England, for instance, is willing to have a navy no larger than America's if the word of its first lord of the admiralty, the Lord Lee of Fareham, spoken last March still holds good. Its plan will undoubtedly follow that line, for Lord Lee is here as a delegate.

FUTURE OF TWO  
PARTIES AT STAKE

Continued from Page One

er but the followers of Lew Shank, former "potato mayor" said he would get an even break on the weather.

In Terre Haute, Don Roberts is trying to come back after a term in prison for conviction on election fraud charges during the previous administration.

The issue at East Chicago and Hammond was said to be one of decency or indecency. At Evansville, Mayor Benjamin Bosse was seeking re-election against J. Stewart Hopkins, republican nominee.

In Michigan City a commissioner's form of management was being sought.

The Muncie fight was between Dr. Rollin Bunch, who served a term in prison for alleged misuse of the mail during his previous administration, and Dr. H. C. Quick.

Politicians Watch Elections

Washington, Nov. 8.—Politicians today had their eyes on the "off year elections."

In virtually every state elections of some sort were being held. In most of them the interest was purely local, but taking them as whole the political observers of the big parties wanted to see what they showed about the political trend.

They were interested to see whether the Republican grip on the votes evidenced in last November's landslide, had relaxed in the intervening year.

The Virginia governorship election and New York City's mayoralty fight were attracting the lion's share of attention.

In Virginia the Republicans were claiming a good chance to elect Henry W. Anderson, governor over State Senator E. Lee Trinkle, the Democratic candidate.

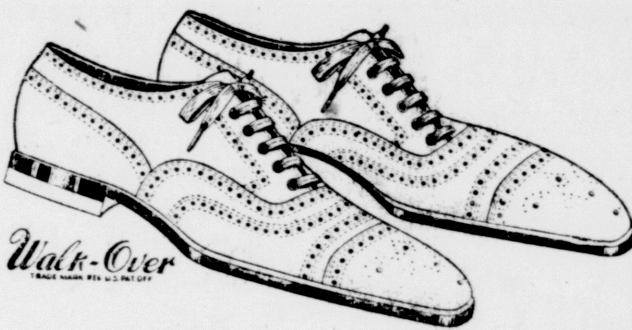

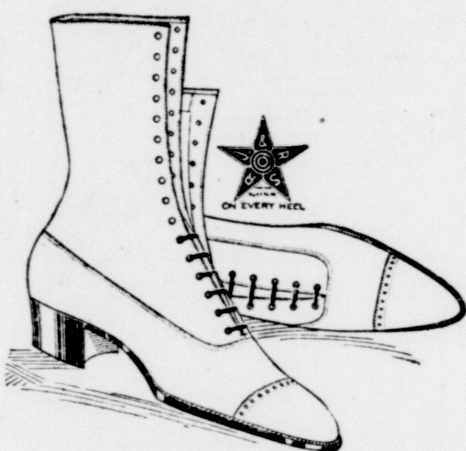

All indications pointed to an exceptionally heavy Republican vote in the old dominion, particularly in the northern portion of the state.

In the Fifth Congressional district Virginia, the Congressional contest is causing some interest because the Republican candidate is Tom Felts, of the Baldwin Felts detective family, which has figured so prominently in recent coal troubles in West Virginia. Felts is opposed by J. Murray Hooker. They are running for the seat made vacant by the death of Rorer A. James.

New York's mayoralty contest, one of the bitterest in years in a city where every election is bitter, lies between the present mayor, John F. Hylan, a Democrat and Henry H. Curran, a coalition or fusion candidate. Street car fares

HEALTH INSTITUTE  
CONVENES TODAY

Progress of Public Health Work Will be Recorded in Exposition Held at New York

AUXILIARIES TAKE PART

Many Branches of State and National Health Bureaus Will Assist in Annual Affair

(By United Press)

New York, Nov. 8.—The most comprehensive health institute ever held in the United States started here today, with the 50th annual meeting of the American Public Health Association.

The Health Institute, from today to the 11th, will offer to visitors from all parts of the North American Continent, as well as from over seas an opportunity to witness in actual operation every phase of health work conducted in this city. There will be more than forty demonstrations. The Institute is sponsored by the American Public Health Association, the Health Department of the City of New York, the New York State Department of Health, the United States Public Health Service, the National Health Council and the Committee on Public Health of the New York Academy of Medicine, with the co-operation of approximately one hundred other organizations.

Sunday, November 13th, will be Health Sunday, and the co-operation of the leading churches is expected.

Beginning Monday, November 14th the week will be devoted to the Fifth Annual meeting of the American Public Health Association at the Hotel Astor and to the Public Health Exposition in the Grand Central Palace.

It will be at these meetings that progress in public health work will be recorded, but naturally popular attention will be directed toward the Exposition. In addition to the serious displays of health, social and similar welfare organizations, there will be a "Midway" and commercial exhibits, all bearing on the question of health.

KILLED IN ELECTION FIGHT

Six Dead Following Gun Battle at Clayhole, Ky.

(By United Press)

Jackson, Ky., Nov. 7.—Six men are dead following an election day riot at Clayhole, Ky., ten miles from here, according to word received by Sheriff J. W. Roberts. The voting place at Clayhole, a village of 100 population, is in a school house. Meager reports do not say whether or not any arrests were made.

Sheriff Roberts was told the shooting started over contests of a voter's right to cast his ballot. Two of the dead were republican judges in the precinct. Men rushed into the polling place and then the shooting began. When the smoke cleared away six men were lifeless on the floor. There has been intense feeling in the election.

and overcrowded school conditions have figured largely in the fight.

Ohio is voting today on a proposal to pay a soldier bonus as a state measure.

QUARREL OVER BET; MURDER

Earl Marshall Shoots Mert Gregory During Crap Game

Indianapolis, Ind., Nov. 8.—A quarrel over a fifteen cent bet in a crap game resulted in the death of Mert Gregory, and the arrest of Earl Marshall on a charge of murder.

"Fifteen cents yo can't th'ow five," said Mert to Earl.

"Lady luck be wif me; roll bones, roll," Earl prayed.

A five rolled out on the floor and Gregory drew a gun. Marshall ran for a shotgun and when confronted by Gregory again, he fired, the charge piercing Gregory's body just below the heart.

FOR AN INWARD GOITRE

Miss Margaret Holbrook of Indianapolis, formerly of this city, underwent an operation at the Methodist hospital in Indianapolis Tuesday for the removal of an inward goitre. She was reported to be improving as well as could be expected today.

INGROWN TOE NAIL

How to Toughen Skin so Nail Turns Out Itself

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

**MASONIC MEETING**  
Phoenix lodge No. 62 F. & A. M. will hold their regular stated meeting tonight beginning at 7:30.

RECEIVE BOX OF FRUIT

Mr. and Mrs. Birney Adams of North Sexton street received a box of choice fruit from relatives at Tampa, Florida today.

Waited Till The Cows  
Came Home

"I am indeed glad to write you this letter. I was a terrible sufferer from gases in the stomach and colic attacks. The specialist, our family doctor sent me to in Philadelphia, gave me no relief, although I took his medicine till the cows came home. He finally said I would have to be operated. Luckily I heard of Mayr's Wonderful Remedy then, and although it is now three years since I took a course of it, I have never had a symptom of my old trouble since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by Drug-gists everywhere.—Advertisement.

Bait Didn't Function

Perseverance is often commendable—sometimes it is damnable.

Over in England the Right Honorable Reginald McKenna, former cabinet minister, is a very big man. He is a power in the world of finance.

Reggie blew into the domains of Uncle Sammy a few weeks ago, took a whirl around the circle, and talked eloquently of the sacred obligation he conceives to be ours—the cancellation of the monumental debts the allies owe to us.

Conceding him to be a great man, we took Reggie seriously—to his face. In courtesy we could do less. Great men expect much consideration.

This may have befuddled dignified Reggie a little at first, and may have caused him to entertain false hopes

of inducing us to rise like a trout to the bait and swallow the hook of cancellation.

But he was soon disillusioned. Politely, but firmly, he was told that we of America are a nation and a people who believe in the payment of such debts, even though it be necessary to stretch that payment over a long period of time.

We love our allied friends as we love ourselves, but we have too much respect for their reconstructive ability to place them in the mendicant class.

But if, as Reggie intimates, they will not be able to survive unless we write "Canceled" across their accounts on our national ledger, then we fear they are not worth saving. To make them a present of those billions would be like spreading expensive paint on worm eaten lumber.

For some days now we have been waiting for Reggie's smoke to clear away in order to observe the effect of his eloquence upon the American mind.

But there wasn't any smoke. There was no fire. The star spangled fish didn't even nibble. Reggie, as a match, failed utterly to ignite. As a bait, he was about as effective as a dead worm in the midst of live grasshoppers.

Now we wonder who our dear friends will send over next in their campaign to convert us to their ideas when we are determined to pursue our own way of thinking.

Whoever he may be, we'll treat him handsomely, feed him well, and send him home a little wiser than when he came.

We may never get the billions they owe us, but at least we will always have something coming.

It is the province of a newspaper to tell the truth as it is found, but often they are expected to manu-

facture it to meet the wishes of the other party concerned.

Don't let criticism worry you. Its absence would indicate your mental inferiority.

We bid you welcome, wise men from abroad. But please to remember that you have eaten of our salt.

The wisest men of the world are now congregated together in the greatest country of the world. They ought to stay.

This is a season of great activity for the fellows who have nothing to do. With business looking up each has a separate alibi to provide.

There's no fear of those foreign delegates not returning to their home lands. It is more flattering to be a big fish in a little pond than a minnow in a great lake.

From The Provinces

He'd Better Dig Himself In  
(Providence Journal)

The first prize for self-confidence should go to the Mere Man who has ventured to tell in five pages of a November magazine "The Truth About Women."

Let Them Try Bootlegging!  
(Dallas News)

The editor who suggests that the only noncompetitive occupation left for penitentiary inmates is preaching evidently felt that they were all men of well authenticated convictions.

Sure, Teach Them to Beat!  
(Providence Journal)

Chicago plans to put school children who are subnormal on a diet of sheep glands for the purpose of stimulating their brains. If, in addition, the children become "perfect little lambs" what a triumph of science we shall have!

He's in Good Company  
(Louisville Courier-Journal)

The indictment may worry Senator Cameron, of Arizona, but he knows that if his case ever is put up to the United States Senate one more exonerator will be added to the glorious list.

Not Much Farming in St. Louis  
(St. Louis Globe-Democrat)

It's getting so it's hard to find a safe place to establish a booze factory in St. Louis County. Plain farming would seem to be more profitable in the long run and less dangerous.

Not if They Have Hooch  
(Chicago News)

Foreign celebrities continue to flock to this country to be entertained. It is hoped that the great American banquet will not mar any of the nation's happy foreign relations.

What Sense Have Communists?  
(Journal and Tribune, Knoxville)

Those Communists in Paris who believe they can run the business of the United States or any one of the states, are like Thompson's colt, fools for the lack of sense.

He Means God Mars!  
(Pittsburgh Gazette-Times)

Charles is reported as saying God called him to go back and assume the Hungarian throne, but suffers from the same disease that afflicts William Hohenzollern.

Nor the Collars, Either  
(Toledo Blade)

Russia is undergoing a tremendous change, according to a New York Tribune writer. Not, we imagine, the shirt.

They Don't Get Man Glands  
(Nashville Tennessean)

If monkey glands will make old men young, why aren't old monkeys young?

RENTAL PROPERTY IS STILL IN BIG DEMAND

Real Estate Authority Says City Property Sells Higher, and Farm Land Shows a Decrease

GRAIN AFFECTS FARM SALES

(By United Press)  
Indianapolis, Ind., Nov. 8.—Rents have not increased appreciably in the average Indiana city, Earl Bullock, executive secretary of the Indiana State Real Estate Board said today.

City property has steadily increased in value and there is no indication that the bottom will fall out of the market, he said.

Farm land values have decreased, however, he said. The value of farms fluctuates with the price of corn, wheat and other products. With the grain and livestock prices at their present low level, the price of agricultural property has dropped.

In industrial centers where there have been general shut-downs with consequent unemployment, there are many vacant houses. Despite the number of vacant dwellings, the law of supply and demand had not yet struck them and there is not a noticeable decrease in their rentals, Bullock said.

ACHES AND PAINS--SLOAN'S GETS 'EM!

AVOID the misery of aching pain. Have a bottle of Sloan's Liniment handy and apply when you first feel the ache or pain.

It quickly eases the pain and sends a feeling of warmth through the aching part. Sloan's Liniment penetrates without rubbing.

Fine, too, for rheumatism, neuralgia, sciatica, sprains and strains, stiff joints, lame back and sore muscles.

For forty years pain's enemy. Ask your neighbor.

At all druggists—35c, 70c, \$1.40.

**Sloan's Liniment** (Pain's enemy)

Clear Your Complexion of pimples, acne and other facial disfigurement. Use freely Dr. Hobson's Eczema Ointment. Good for eczema, itching skin, and other skin troubles. One of Dr. Hobson's Family Remedies.

## PLAYS RUTGERS AT THE POLO GROUNDS

Notre Dame Expected to Draw Election Day Crowd of 20,000 in New York Today

HOOSIERS PICKED TO WIN

Emerge From Army Game in Good Condition And All Odds Are in Their Favor

(By United Press)

New York, Nov. 3.—Captain Eddie Anderson and his flying circus of airmen from Notre Dame will soar over the Polo grounds this afternoon in battle with the husky squadron of Rutgers.

Billed last winter as a big game, the failure of the Rutgers eleven to come up to expectations will turn the affair probably into an exhibition of the great aerials, the fast runnings attack and the smooth, speedy mechanism of the Hoosiers that buried the Army team last week.

It will be the first appearance of the Notre Dame team in New York and the "election day" crowd of spectators is expected to reach 20,000.

Comparing records Notre Dame is all to the good. The Hoosiers have lost only one game to Iowa, one of the leaders of the western conference and no one has been able to give the reason as Notre Dame gained more than 200 yards in the battle. Rutgers has won from Washington and Urinus and lost to Maryland, Lehigh, Georgia Tech and Lafayette.

Notre Dame came out of the Army game in good condition and the Rutgers squad was reported this morning in first class shape.

The teams probably will line up as follows:

Notre Dame	Rutgers
Kiley	LE Brennan
Garvey	LT Rumb
H. Anderson	LG N. Scudder
Mehre	C H. Scudder
Dooley	RG Felter
Shaw	RT Kingman
E. Anderson	RE Loppaker
Grant	QB Maloney
Mohardt	HL Chandler
Coughlin	RII Redmond
Wynne	FB White

## 21 PERSONS DONATE 105 BASS SINCE OCT. 2

Conservation Department to Use Fish for Breeding Purposes at the State Hatchery at Riverside

72 SMALL MOUTH SPECIES

Indianapolis, Ind., Nov. 3.—Twenty-one Indianapolis and Marion county people have donated 105 parent bass since Oct. 3 to the fish and game division of the state conservation department, to be used for breeding purposes at the state hatchery in Riverside Park, George N. Mammfeld, division chief, announces. Seventy-two are the small-mouth species and the remainder of the large-mouth variety. The donors are: L. J. Hurt, Gustav J. T. Meyer, Oliver Baus, John Wise, E. I. Price, Harry Hart, William Spronsel, Herman Schlender, R. B. Tuttle, B. A. Sunderland, Alex Wetterwals, E. Riffner, W. C. Holland, Fred Appel, Emil Thiele, W. Spungenberger, Wm. Bordenkerker, George N. Mammfeld, Frank Johnson, W. S. Freeman and W. P. Garshwiler.

Prizes offered by the fish and game division to sportsmen giving the largest and second largest number of bass for propagation purposes between Oct. 3 and December 1, is causing many people to donate bass to the hatcheries that never were interested in artificial stocking of streams before says Mr. Mammfeld. The number of bass given by each individual will not be made public until time for awarding prizes.

## FARMERS AGAINST PRESENT FISH LAWS

Meeting of Ruralists Disclose That They Like Fish, But Don't Like Hooking Them

PREFER TO USE THE SEINE

(By United Press)

Warsaw, Ind., Nov. 3.—Farmers of Indiana seem to regard the present fish laws discriminating against them. The fact was brought out in discussion of ruralists at a meeting in the court house in this city recently.

The farmers point to the fact that they do not have time to spend hours at lakes and streams in an effort to get the bass, bluegill and pike, but

that they like a mess of fish on their tables now and then. Under the existing law they are not allowed to use a net and therefore would be required to spend considerable time with pole, line and hook in bagging fish.

The records of more than 2,000 fishing and hunting licenses issued in Kosciusko County so far reveal the fact that comparatively few farmers secured permits to fish. The great majority of licenses issued up to this time have been to persons from other states and cities, who came to the lakes of Kosciusko County to fish.

#### PAY TELEPHONE TOLL

Don't overlook to pay your telephone toll before Nov. 12 if you wish to avoid paying 15 cents extra for collection. No notice will be given by telephone. M. V. SPIVEY, Secretary

#### EQUIPMENT OF MODERN WAR USED

Continued from Page One  
ordered to bring the train to a stop so that the passenger cars would be across a trestle. Passengers who were surprised when the train was brought to a sudden stop and attempted to go out in the track to locate the trouble, found they were suspended in midair.

Four other bandits had been lying in wait in a clump of bushes near where the engine wheels came to a stop with a sudden grinding of brakes.

During the robbery, a continual exchange of shots was kept up between the robbers, members of the train crew and mail clerks in other cars.

Sit now for your photo, before the Christmas rush. WALLACE, photographer. 20016

## ANYONE MAY HAVE PILES

Piles are no respecter of persons or conditions. Piles are very painful or unpleasant to have, but having them is no reflection in the least on your life. You are just as apt to have piles as chicken pox. The cause of piles is internal, and therefore Miro Internal Pile Treatment gets at the source of your trouble. Miro Internal Pile Treatment is guaranteed to give relief. Buy a bottle from your druggist and if you are not satisfied with the results after following the directions your money will be refunded.

**F. B. Johnson & Co.**

## A SUGGESTION

Allow us to go over your car for you, find out any troubles and fix them for you. There may be bigger troubles developing now which may lay you out later if not attended to now.

With the best of equipment and experienced mechanics we can give you the service your car needs.

## SOCIETY

Edited By Miss Edna Krammes  
Phone 1111

The Ladies Missionary society of the First Baptist church will be entertained tomorrow afternoon at the home of Mrs. B. W. Reynolds in W. Fifth street.

The American Literary club will meet at the home of Mrs. Ed Billings in East Eighth street Wednesday afternoon at two o'clock. All the members are cordially invited.

Mr. and Mrs. Elbert McClelland and son Carl and Mr. and Mrs. Leo Thompson and son Wilbur Lee of Connersville were the guests of J. H. Stevens in West First street yesterday.

The Band of Workers of the First Presbyterian church will meet tomorrow afternoon at the home of Mrs. Ralph Payne, 721 North Harrison street assisted by Mrs. Glen Miller and Mrs. William Wallace.

The Misses Nina Robertson, Libby Schatz, Marie Perkins, Mildred Kirk, Mary Ellen Hughes, Margaret Conning and Edna Krammes, and Mrs. Loretta Yentz enjoyed a theatre party at the Princess Theatre last evening.

The Plum Creek auxiliary of the United Christian Society will hold their regular meeting Wednesday afternoon at two o'clock at the home of Mrs. L. R. Bishop. Members and friends are cordially invited to attend this meeting.

Quince Geise and family of Falmouth, Henry Geise and family of Glenwood, Miss Pauline May of Orange and Mr. and Mrs. Frank Geise of Connersville were entertained at dinner Sunday by Mr. and Mrs. Albie Walker of near Connersville.

Mr. and Mrs. B. F. Norris had as their dinner guests Sunday at their home near Carthage, Mr. and Mrs. John Ricketts and son Garrett of New Salem, Mr. and Mrs. Aaron Wellman, Mr. and Mrs. John Stiers and daughter Fannie, Mr. and Mrs. Earl Norris and Mr. and Mrs. John Norris.

The Ladies Country Aid of the St. Mary's Catholic church will be entertained Thursday afternoon at the home of Mrs. Patrick Hayes near Raleigh. All the members are urged to be present as there will be election of officers and each member is also requested to bring their quilt blocks.

### PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

### Old Shoes Re-Built The Factory Way

BETTER SHOEMAKING  
THAT COSTS NO MORE

### Conroy Shoe Repairing Shop

126 West Third Street  
With Finney's Bicycle Shop

The Rebekah Crochet club will be entertained Thursday afternoon by Mrs. Job Stevens at her home, 1114 West First street.

The Woman's Home Missionary Society of the St. Paul's M. E. church will meet Thursday afternoon at 2:30 o'clock at the home of Mrs. A. L. Winship in North Main street.

Mrs. Nora L. Kaler entertained with a dinner party at her home in Andersonville Sunday for the following guests: Mr. and Mrs. Edward Kaler of Indianapolis, Mr. and Mrs. Walter Addison and children Frances and Marion, Mr. and Mrs. Fred Addison and children Pauline and Fred Keith and Mrs. Glenn Kaler of Carthage, Mrs. Mary Walker of Rushville and Mr. and Mrs. Wilford J. Miller and son Fred of Orange.

Mrs. Kennard Allen was hostess for the members of the Tri Kappa sorority last evening at her home in West Second street. It was the regular meeting night and no business of importance was transacted. The sorority netted approximately \$75 from the showing of the royal robe of pearls one week ago last Saturday in the assembly room of the court house. The next meeting will be held with Mrs. Harry Osborne, November 21.

Mrs. Hugh Jones was hostess for the members of the Always Present Class of the Main Street Christian church. Last evening at her home in West Fourth street. During the business session the following officers were elected for the ensuing year: Mrs. Gladys Osborne, president; Mrs. Frances Howell, secretary; Mrs. Esther Carfield, treasurer. An informal social hour was enjoyed following the business meeting during which the hostess served dainty refreshments.

Mr. and Mrs. Fred Mosburg entertained at their country home west of Orange Sunday with a three course dinner party. The guests were Mr. and Mrs. Louis Walker and son Merle of Indianapolis, Mr. and Mrs. Will Young and daughters Mable, Inez and Frances and sons Earl and Wilbur of Knightstown, Mr. and Mrs. C. A. Mosburg and granddaughter Marjorie Berry of Andersonville, Mr. and Mrs. Russell Coons, Mr. and Mrs. Thomas Mosburg and sons Vern and Wilbur, Harold Holt of North Madison and Richard Bell of Orange.

The Young Ladies Mission Circle of the Main Street Christian church enjoyed a very pleasant meeting last evening at the home of Miss Mable Mahin in North Morgan street. The subject for discussion was "India Converted." Miss Grace Billings gave the Bible study; the Misses' Maxine and Lucile Brown rendered a beautiful duet and Miss Margaret Winship entertained the guests with a clever reading. Miss Rowena Kennedy sang a pleasing solo. A social hour was enjoyed by the nineteen members and the hostess served dainty refreshments.

At the meeting of the Woman's Council last night the committee having charge of the sale of the tuberculosis Christmas seals for this year made an enthusiastic and encouraging report of the state meeting which they attended in Indianapolis last Friday. Never was the need greater to fight this dread disease than the present and all interested in this work are urged to use their best efforts to promote this undertaking. Mrs. Floyd Kirklin, chairman of the Seals sale, will take immediate steps to organize the county in preparation for the work. Every township will have its chairman and a united effort is expected to assure the success of a work that will interest and benefit alike the entire community.

### TO BE DEDICATED NOV. 27

Glenwood Christian Church to be Formally Opened by C. W. Cauble

The new Christian church in Glenwood will be dedicated Sunday November 27, the Rev. C. W. Cauble of Indianapolis having charge of the services. The construction of the new building was begun last August, the basement having been built last summer. The building is modern in every respect and is built of red brick. A detailed program for the dedication will be announced later.

Where Service is Unsurpassed. Phone 1408.

### SECOND NUMBER IS SCHEDULED THURSDAY

Monterey Duo, Musical Entertainers.  
Will Appear on Lyceum Course  
at New Salem

ARE HIGHLY RECOMMENDED

The Monterey Duo will be the attraction Thursday night at New Salem as the second number of the winter lyceum course which is being offered this year by the Senior class of the high school. The program will be given in the high school auditorium, and the company consists of two young ladies, who are reputed to be good entertainers.

The program consists of duets, readings, pianologs, sketches and groups of songs specially arranged and costumed. The costumes are said not to be clumsy, awkward affairs

that delay the progress of the program while being changed.

Practically every comment received on the company this year comments on the "lightning" quick changes of costume. The company is headed by Miss Esther Hildebrandt, and her assistant is Miss Stella Pierce. The former is a skillful character artist, and Miss Pierce is a talented singer and entertainer.

The lyceum course for several years has been sponsored by the high school class, and always proves a success.

#### CLOVER SEED

I am taking orders for Little Red Clover seed at \$12.50 per bushel. Mammoth at \$12.80. Freight added. You can leave orders and checks with Wilbur Stiers, Rushville National bank if you don't see me.

Elaine Hammerstein in  
"HANDCUFFS AND KISSES"

A story that will make you sit up and think. A picture of unusual interest.

"BURTON HOLMES TRAVEL"

WEDNESDAY AND THURSDAY

ELSIE FERGUSON in the wonderful production

"FOOTLIGHTS"

39 beautiful gowns are worn in this massive production. All the glamour of back-stage is in this inside story of a star — the story of the life the public never hears about.

"PATHE NEWS"

## AMUSEMENTS

### Teaches a Moral Lesson

The theme about which "What's a Wife Worth?" the Robertson-Cole super-special picture written and directed by William Christy Cabanne which opened at the Mystic Theatre last night, was written, teaches a moral lesson, but in its teaching never becomes tiresome or wearisome. Neither creeds nor beliefs are flaunted, but one feels, nevertheless, the influence of a great "thought," which prompted and inspired its inception.

The Californian Redwoods are the setting for a powerful story of love and adventure, entitled "The Man Who Dared," a new Fox photoplay starring William Russell, which is to open at the Mystic Theatre on Wednesday.

Advance reports indicate that Russell here has a starring vehicle well suited to him. He plays the part of a lumberjack boss who commits a sin in order to hold the love of a girl, and is led to repentance and atonement.

The story and scenario are by Julius G. Furthman, and Emmett J. Flynn directed the production. Supporting Mr. Russell are Eileen Percy — since made a Fox star — as leading woman; Frank Brownlee, whom all film fans know; Fred Warren, Lon Poff and a squad of Californian lumberjacks — the real article. The chief of the lumberjacks is Jack King, who has been in the forests since early boyhood.

### A Human Interest Story

A delightfully human story, replete with action and incident, was shown at the New Princess theatre, where Elaine Hammerstein, in her newest Selznick Picture, "Handcuffs or Kisses," will remain as the featured attraction for today.

The role of Lois Walton as portrayed by Miss Hammerstein demands skillful interpretation of many dramatic moods. The story carries an interesting romance through numerous dramatic compli-

## WEDNESDAY PRINCESS THURSDAY

Home of the Silent Art

The story of a girl who won fame on the stage by adopting a Russian name and a "past!"

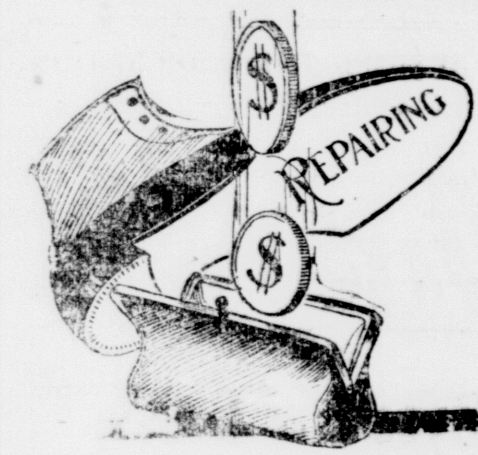

And when, for love, she wanted to be her real self — You'll say it's Elsie Ferguson's greatest picture.

Adolph Zukor presents

Elsie Ferguson  
in  
"Footlights"

Miss Ferguson wears 39 beautiful French creations in this wonderful production. No more charming modiste's fashion display ever was seen on the screen.

ications and the action is intense and exciting at all times.

If there be any truth in the theory of reincarnation, Lizzie Parsons, the American girl portrayed in the Paramount picture "Footlights," which comes to the Princess Theatre for two days, beginning Wednesday must have been a Russian princess, in a previous existence. As a child, she was attracted to Russian books and at night when her family had retired, she would act out the roles of many Russian heroines. In later years, carrying out her determination to go on the stage, she gave interpretations of these parts, in a cheap vaudeville house. Her talent was recognized by a theatrical manager, who exploits her as a Russian actress of European fame.

So natural was the transformation of the conventional New England girl to that of a worldly Russian actress, that Lizzie succeeded in deceiving those of her supposed nationality. Many interesting developments ensue. Reginald Denny is leading man.

### PASSES TAX REVISION BILL

Senate Acts and Measure Now Goes to Conference With House

Washington, Nov. 8.—Lower federal taxes were a step nearer reality today as the result of the Senate's passage of the tax revision bill. While most of the country slept, the Senate plodded away on the measure and passed it at 1:45 o'clock this morning. The vote was 38 to 24, with three Republicans, Moses, New Hampshire, LaFollette, Wisconsin, and Norris, Nebraska, voting against it.

The measure now goes to a conference with the house.

### CARD OF THANKS

We desire to express our heartfelt thanks to kind neighbors and friends who so tenderly administered to our aching hearts in our recent bereavement. Also to Bros. Brown and Kunkle for their comforting words, to Mrs. Derby Green and Mrs. Carl Beher for the beautiful songs and to Mr. Wyatt for his kind attentions.

East Hill cemetery company to John Thomas Sutton, lot 139 in section 10 of the cemetery, \$200.

## OPEN DOOR REGARDED AS FAR EAST SOLUTION

Reestablishment and Strengthening of Policy to be Aim of Arms Conference

### MAY SCRAP ANGLO-JAP PACT

Washington, Nov. 7—The open door doctrine is regarded by the arms conference as the chief bulwark of the Far Eastern peace. For this reason the arms conference considers the reestablishment and strengthening of this policy, which declares that every nation shall have equal opportunity in the east, one of the paramount objects of the arms conference.

This statement was made to the United Press today on the highest of authority. Limitation of armament would be dangerous and might breed rather than prevent war, unless preceded by a definite understanding that all of Asia is to be open to all nations alike for commercial enterprises and not tend to bring about political domination which might bring about trade monopoly, it was said.

A peace agreement like the Anglo-Japanese alliance, therefore, is regarded unfavorably by this conference. The American delegation will frankly urge scrapping of the Anglo-Japanese treaty. Any effort to force consideration of the arms limitation by the conference until these far eastern questions have been definitely settled, is opesed by the conference.

It is clearly understood here that Japan might bar all questions but the naval questions. The American delegation is fully assured that this conference will not contend that the reduction of armament will eliminate war dangers.

### NOT WITH TAYLOR

Willie Bennett, who was reported Monday to have been with Chester Taylor when Taylor's car turned over and was almost demolished, east of Glenwood, early Monday, was not in the machine, according to Taylor, who says he was returning from Connersville alone.

## ASPIRIN

Name "Bayer" on Genuine

Beware! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago, and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

## Thousands of Cases of Dyspepsia--- BUT ONLY ONE PEPSINCO

PEPSINCO is the only indigestion remedy that we know—and we know lots of so called dyspepsia cures—that will almost infallibly relieve an attack of indigestion, food distress or gas. We could almost make claims that would appear impossible, so seldom does this PEPSINCO fail. But why not consider the recommendation of thousands of people who have used PEP-SINCO, on the basis of their belief in it. Try it yourself; we are sure that the suggestion will appeal to you—you who suffer with indigestion or stomach faults—try PEPSINCO to-day.

Ask your druggist—he sells and recommends Pepsinco.

"Lis'sen, Peggy—every mudder gives her hiddies KELLOGG'S because you can eat great big bowls an' they taste good—er an' they're all crispy an' dandy!"

# You never tasted Corn Flakes so joyously flavored, so crispy-crunchy as Kellogg's

That's why big and little folks who know the difference insist upon KELLOGG'S! The thing to do is to make comparison—Kellogg's against any other kind of corn flakes you ever ate! If it's quality, or all-the-time crispness or delicious or appetizing flavor you want—well, just wait till you eat Kellogg's! And, what a delight to know they're never leathery!

You'll get so cheerful about Kellogg's that the day's best hours will be when it's time to sit down with the family in front of generous bowls all filled most to bursting with those big, sunny-brown Corn Flakes! Never was a better time than tomorrow morning to prove that KELLOGG'S Corn Flakes are about the "gladdest of all good things to eat."

Insist upon KELLOGG'S—the kind in the RED and GREEN package—if you want to know how wonderfully good corn flakes can be!

# Kellogg's CORN FLAKES

## Many Human Ills Are Due To Impurities in the Blood

Pure, Rich, Red Blood Nourishes the Body and Fights Off Disease.

Waste Products or Impurities Cause Many Forms of Rheumatism, Skin Disorders and a Lowered Vitality.

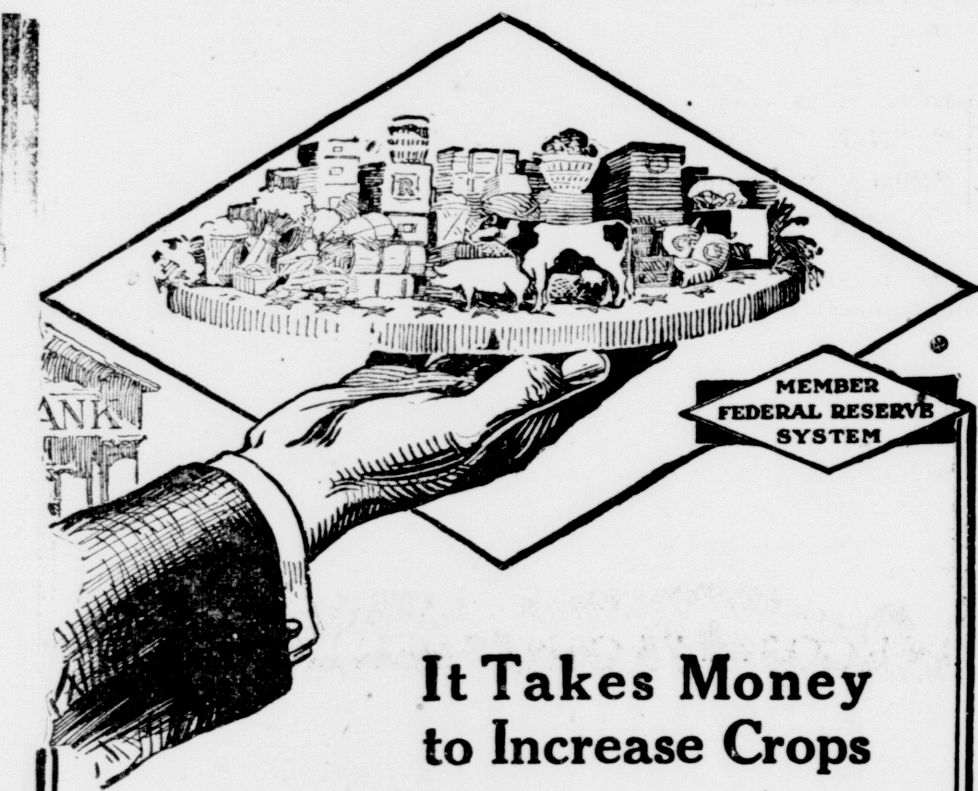

How S. S. S. Clears the Blood of Waste Products.

Your system is continually taking in nutrition and throwing off waste products. This process goes on all during life. But, sometimes the organs do not properly function and these waste products, instead of passing out through the pores of the skin, through the kidneys and through the alimentary canal, are absorbed in the blood. Then the blood becomes poisoned, and cannot properly nourish the system.

Ill health sets in. You may lose your strength and vitality; or you may have rheumatic pains in the muscles and joints; or you may be troubled with bad boils, sores or some other skin eruptions. All because of the poisonous waste products in the blood. Nature now needs help. She has done her best but is failing. A blood purifier should be used at once to assist nature to throw off these waste products.

S. S. S., the standard blood purifier and system builder, is the ideal remedy in these cases. The effect of S. S. S. is to rid the system of the poisons which are causing the trouble. For over 50 years, S. S. S. has proven to be of unusual merit.

Get S. S. S. at your druggist. Use it strictly according to directions and write Chief Medical Director, Swift Specific Co., 721 S. S. S. Laboratory, Atlanta, Ga., and let him help you regain your health and strength. He is helping people every day. Ask him to send you his illustrated booklet, "Facts About the Blood"—free. S. S. S. is sold by all drug stores.

### It Takes Money to Increase Crops

YES, vast sums of it, because the call for funds comes from many different sources all at the same time and each one's requirements are urgent.

All the more reason that your banking connection be a Member Bank of the Federal Reserve System so that when you need money your bank will be in a healthy position to give you reasonable assistance.

We work on the basis that when our customer succeeds we succeed.
